CENTRAL OHIO COMPANY RESEARCH:

The Columbus Metropolitan Library has several directories on-line that can help identify contact information for medium- to large-sized companies including names of executives. You must have a library card to access this information from your home computer. Go to <http://www.columbuslibrary.org/> and choose Research Tools A-Z. Two particularly useful databases are Mergent and Reference USA. You can also make an appointment with a Columbus Library Reference Librarian to learn how to use these tools.
